### Congratulations to these recent Volunteer Award recipients

### **Volunteer Canterbury - Volunteer Recognition Award**

Janet Chisnall helps at our Community Hub on Wednesdays with Fruit and Vege pick up, providing a welcoming face for all who pop in. Janet has a gracious manner with everybody that walks in the door, a truly humble and caring lady who gives so much and considers it a privilege to help others.

Janet is also our green fairy, mending, recycling and re-purposing whatever items she can. We appreciate her wisdom and knowledge in this area – a valuable resource and influence in our community. She will be at the Create Shirley Mending, Sewing and Alterations workshops on the last Thursday of the month at the Neighbourhood Centre 2.00–4.00 pm.

### Waipapa Papanui-Innes-Central Community Board (CCC) - Community Service Awards

Jamie McQueen has volunteered at the MacFarlane on the Park Café since 2018 and then for the last five years been our barista trainer. He did barista training with the Trust, then because of his great coffee skills and calm patient personality he was the obvious choice to take over the training when Keza left.

Jamie has a chronic health condition, yet until this escalated recently it has never stopped him wanting to share his knowledge and skills with community, always with a smile and positive attitude. We so miss him, but he has left the training in good hands with one of his trainees, Masako capably taking over from him.

The barista training on Mondays and Wednesdays at the Neighbourhood Centre is very popular with between 50-70 trainees taking up this opportunity each year. The course is comprehensive, and Jamie was very involved in the developing the training manual to go alongside the barista programme. The training adds so much to the community hub atmosphere at the Centre and the community love the barista coffees available for \$2!

Lesley Watson has served at the Macfarlane on the Park Café and Nail Care Clinic for many years, in fact Lesley herself has difficulty working out how many. Sparkling Stars, the music preschool group started 4 years ago, and Lesley has helped by making the morning tea weekly since then, always baking something yummy for the children and caregivers. The week of a Nail Care Clinic, she bakes extra so the team helping at the clinic can enjoy them as part of their lunch. This is Lesley, always thinking of ways she can generously care and support others. The clients who attend the Nail Care Clinic enjoy Lesley's massages and conversation. When there is a break or gap Lesley will be there knitting and this too is shared with others, whether that be a pair of socks or beanie.

Thank you Lesley for your generous care and support given to so many through your commitment over many years.

### Shirley community gives thanks for Janet, Jamie and Lesley, and all that they do in this community.
